

*International Women's
Day
Breakfast
2009*

Speaker: Meredith Hunter MLA

On International Women's Day, breakfasts will be held around Australia as people come together to celebrate and declare their solidarity with women around the world.

International Women's Day (IWD) dates back to 1910. The first IWD rally was organised in 1928 when women marched to protest for equal rights in the workforce.

Over the past decade Canberra IWD breakfasts have celebrated the gains made and have raised money specifically to help women in societies experiencing difficulties.

Soroptimist International Canberra is this year raising funds to assist Toora Women Inc. to enhance its services for Canberra women in crisis accommodation.
